Rain Hides Ships in Harbor Prospects, Are County Clerk Hamilton Will Be Put Up by Republicans for Slaughter.

MANILA, P. I., Sept. 26—A terrific typhoon struck this city to-day, causing the death of at least five Filipinos, the injuryof 200 others and a property loss of tremendous proportions.

More than 10,000 persons were rendered homeless.

The native districts were utterly swept away. Heavy, substantial buildings of stone were unroofed.

Two churches and one hotel were partially demolished.

"There will be no fusion: we can't get together," said former Governor and State Chairman Odell at the Fifth Avenue Hotel to-day. "There is no use feeling downcast over the outlook, but so far as usell give it up."

The definite amouncement shows that the split between the Republican-Hearst combination and the Clizens Union is beyond healing. It indicates that the Republicans will put a ticket in the field

sprung by R. Ful:on Cutting yesterday, nothing is known of his actual feeling

1,000 patients home cold and desolate. Pittsburg showed little of her forme been secured he Giants played every fine point known to the game's science then relied on slugging pure and

simple.

It was at awful fusilade of hits that greeted Mike Lynch, and when a single, two baggers and a home run had been runs, he Grew up the sponge and went to the beuch utterly routed.

Mickey Shannon, the well-known horse trainer, made a bet here to-day of \$100 to \$50 that the Giants would beat the Athletics for the world's championship. "I know if a horse can stand the gaff as soon as I see him tried out," said Shannon, "and the same thing applies to bas-ball players. The Giants certainly go like thoroughbreds and while ability is a whole lot, grit and stickability will figure largely in the coming series; that is the reason I back the Giants."

There was a crowd of fully 11,000 when the game started.

First inning.

Bresnahan was hit in the pocket of his shirt, an encouraging starter, and Browne sent him up another peg by taking a sacrifice down the first baseline. Donlin went further and get in a clean hit for two bags, Bresnahan racing home with the first run. Leach guiped down McGann's long fly and Mertes smashed a bounder straight to Lynch. ONE RUN.

Ames falled to get one over for Clarke and laid down his usual sacrifice to advance bhat Davlin huried Leach two out, while Clark went to third. Herr Wagner the Great then shot a clean line drive to right and Clarke tied the soore. Brine died on a rap to Dahlen. ONE RUN.

# - UP A CITY HALL

Office and Treasurer's Vaults

the municipal building at Newcastle is the positive belief of the police of that city. Late yesterday afternoon Fire Chief Connery while making an inspection of the building found several sticks of dynamite on the top of an old jool chest in the basement, directly under the office of the Mayor and the City Treasurer's vault. This portion of the basement is not often used by the employees of the building, but it was evicent the dangerous explosive was placed here shortly before its discovery.

Mayor Louis M. Hainer has ordered as investigation. Meanwhile the dynamics of the dangerous explosive was placed by the content of the dangerous explosive was placed by the content of the building. But it was evicent the dangerous explosive was placed by t

(Special to The Evening World.)
BRIGHTON BEACH RACE TRACK, N. Y., Sept. 26 .- The bare chance that race at a wile and a half rerved to draw a good attendance to the Brighton course this afternoon. Artful had not been scratched up to 2 o'clock, and it looked at that time as if there was a good chance of her starting. Opposed to her were Cairngorm, Caughnawaga

The other races were fairly interesting, though top heavy, and under the standng track method of starting the breaks made the races more uncertain than if the fields were smaller. The weather was a bit breezy in the shaded stand.
